

Qualifiable Expenses

Our methodology uses your current expenses as tradelines. You may include companies you order goods or services from and that you have a good payment history with. All References must comply with the business credit bureaus' verification requests before being accepted it and added to your next report.

Qualifiable expenses include:

- Accountant / CPA
- Advertising (such as Newspaper Jobs / Products)
- Business stationery, bags, containers: design / printing
- Car Leasing
- Cleaning Service
- Collection Company
- Commercial Property Landlord
- Computer services or repair
- Construction / Remodeling Company
- Decorators
- Direct Mail Service
- Displays / Display Equipment
- Equipment / Auto Leasing
- Furniture Purchase / Rental
- Graphic Design: Business Card, Logo, Stationary
- Landscaping
- Lawyer / Attorney
- Marketing Company
- PO Box rental (NOT US Postal Service)
- Parts / Supplies / Materials
- Payroll Services
- Printers: Business Cards / Stationary
- Professional Dues
- Software Developer
- Sub-contractors / Services
- Tax Return Preparer
- Telecom Companies
- Television, Radio, Print, Internet Advertising
- Temp / Staffing Agency
- Trucking Companies
- Uniform Supplier
- Utilities for Commercial Property
- Warehouse Rental
- Waste management / Refuse / Garbage / Dumpster Rental (not associated with your municipality)
- Water Delivery / Water Cooler
- Website Design / Host
- Wholesalers

**Please note that if a company already auto-reports on you, you will not be able to submit that company again as a Trade Reference or if the company does not comply with the verification process, we can only resubmit or dispute the account one time.

***You will receive a complete report of the reported tradelines within 30 business days of submission.
